HELLO MY NAME IS STASYA

I really like to draw, that's why I had chosen the graphic arts as my additional subject since the third year of studying at the University.

I'm a graphic designer with more then 5 years of experience in web design.

I create modern graphic designs for web sites, promo pages.

I drow logotypes for business, business cards, bunnners ITC.

I also draw funny characters wich you can used for print on t-shirts and other subjects. To see what I can do, please check out my portfolio.
